v.

CASE NO. 1:24-CR-066-JLT

STIPULATION REGARDING CONTINUANCE;  
ORDER

DATE: April 16, 2025  
TIME: 2:00 p.m.  
COURT: Hon. Erica P. Grosjean

Defendant Demetrius Warsinger, by and through counsel of record, Assistant Federal Defender Kara R. Ottervanger, and Plaintiff United States of America, by and through Assistant United States Attorney David Gappa, hereby stipulate as follows:

On October 8, 2024, Mr. Warsinger was arraigned on a supervised release violation alleging a new law violation. [ECF # 9]. On October 10, 2024, Mr. Warsinger was released pending resolution of the matter and ordered to “participate and remain in Westcare Inpatient Treatment Facility until further order of Probation; no contact order with [C.S.] until further order of the Court; and to be placed on GPS location monitoring.” [ECF # 11]. This case is currently set for a status conference on April 16, 2025.

The Parties now move to continue the status conference until May 21, 2025. Mr. Warsinger successfully completed the Westcare Inpatient Treatment Program including several courses alongside his alcohol treatment, including anger management and domestic violence courses. Mr. Warsinger is living with his mother and is presently on a GPS monitoring system with home-confinement conditions. Mr.

Warsinger has a child under one year old; Mr. Warsinger's mother picks up and drops off the child from C.S. so that Mr. Warsinger can assist in the child's care.

The new law violation alleged in the violation petition arises from a Fresno County Criminal Case that is still pending. The parties in this matter have conferred and agree that it is a better use of the Court's and the parties' time and resources to continue the status hearing in this matter until that case has been resolved. Mr. Warsinger's next court date in that case is April 15, 2025. It is unknown whether the case will be resolved at that time.

Accordingly, the parties request that the status hearing be rescheduled for May 21, 2025, at 2:00 p.m. and that Mr. Warsinger be permitted to remain on the present conditions of release up until and through that date.

No exclusion of time is necessary as this matter concerns a supervision violation petition.

IT IS SO STIPULATED.
